ABOUT ME

Passionate and dedicated Fullstack Developer with expertise in Laravel, .NET, and JavaScript. Known for being a hard worker, I thrive in collaborative environments and approach challenges with a positive attitude. Committed to continuous professional growth, I actively seek opportunities to expand my skills and knowledge. Beyond coding, I enjoy playing music, rock climbing, and learning new spoken languages.

WORK EXPERIENCE

○ Mar 2024- Present
Swid Studio | London, UK
Backend Lead

Backend Lead at Swid Studio. Working with Laravel, .NET and modern technologies to build Web Applications and CMS websites for several industries. Managing the Infrastructure and backend of all projects.

○ Sept 2023 - Mar 2024
